DO NOT mark your entire response/submittal as information constituting an exception to Ohio's public records law. If your entire response/submittal is so marked, the CRAA may choose consider your offer non-responsive. (REV. 3-20-2006)

PROFESSIONAL SERVICES AGREEMENT

THIS PROFESSIONAL SERVICES AGREEMENT, entered into this _____ day of _____, 2017, by and between _____ ("Consultant"), and Columbus Regional Airport Authority, ("CRAA"), a port authority organized and existing under the laws of the State of Ohio.

Section 1. Services:

Consultant shall perform the professional services described in the attached Schedule A, incorporated herein by this reference. Consultant warrants that all services hereunder shall be performed in a professional, workmanlike and conscientious manner under the direct supervision of Consultant and in compliance with applicable laws and regulations; and Consultant's employees shall comply with the reasonable instructions of Authority. The services of Consultant shall be performed in the character, sequence, and timing generally described in Schedule A.

Consultant and Consultant's employees shall be subject to the general guidance of CRAA project manager(s) designated in Schedule A or any successor. It is agreed that all Consultant's employees are employees of Consultant and not of Authority.

Consultant and Consultant's agents, employees and Sub-Consultants shall communicate with and coordinate its services with the CRAA project manager(s) designated in Schedule A or any successor, but it is acknowledged that the CRAA is not completely responsible for and does not have complete control or charge over the engagement and shall not be responsible for the Consultant's failure to carry out the Scope of Services in accordance with the requirements of the Agreement. Consultant shall promptly advise CRAA in writing of any event, happening, or circumstances known to Consultant which may delay the Schedule of work, or increase the Consultant's cost as outlined and approved in the Agreement or which otherwise may be incompatible with the interests of Authority.

It is agreed that all Consultant's employees are employees of Consultant and not of CRAA and CRAA has no contractual relationship with Consultant's Sub-Consultants. For purposes of this Agreement "Sub-Consultant" shall mean a person or entity that has a contract with the Consultant to perform or provide a portion of the Scope of Services and its authorized representatives, successors, and assigns. The CRAA shall have the right to request that the Consultant reassign any of Consultant's employees, including Sub-Consultant employees, assigned to Authority's project. The CRAA shall

have the right to inspect the provision of services at any time without notice.

Section 2. CRAA Provided Information:

If applicable, within a reasonable time after receipt of a written request from the Consultant, the CRAA shall furnish to the Consultant information or services under the Authority's control that are reasonably needed for the Consultant's performance of the Agreement. Where information is made available, Consultant shall promptly review requested information. The Consultant must immediately notify the Owner in writing if the Consultant becomes aware of any errors, omissions, or inconsistencies in any Authority-furnished services or information or in any services or information furnished by or at the direction of the Consultant. If the Consultant becomes aware of any errors, omissions, or inconsistencies in any documents or information for which the Consultant is responsible, it must immediately make all necessary changes or corrections without additional cost to the Authority.

Section 3. Compensation:

In consideration of the services to be provided by the Consultant, the CRAA shall pay Consultant in the amounts calculated on rates set forth in Schedule A. If the compensation set forth in Schedule A is to be paid on a lump sum basis, the amount to be paid under this Agreement shall be adjusted only in accordance with the provisions of Section 22. Compensation payable on a lump sum basis shall be payable in monthly installments proportionate to the amount of services actually completed. Compensation payable on an hourly basis shall be payable on a monthly basis in accordance with the hourly rates set forth in Schedule A or in accordance with deliverables referred to in Schedule A. If hourly rates apply, Schedule A rates shall remain in effect for the entire term of the Agreement unless mutually agreed upon during the fee negotiations. Should the Agreement extend beyond twelve (12) months, the parties may negotiate appropriate adjustments to the Schedule A rates. Future wage rate adjustments will be the lesser of the actual increase during the year or over-the-year percentage change in the Real average hourly earnings established by the U.S. Bureau of Labor Statistics (www.bls.gov Table A-2 Current and real (constant 1982-1984 dollars)

earnings for production and nonsupervisory employees on private nonfarm payrolls, seasonally adjusted. It is the responsibility of the Consultant to request that negotiation and provide supporting documentation for the request. Any changes to the Schedule A rates must be made by amendment to Schedule A executed by both parties.

Section 4. Contract Documents:

Collectively, the "Contract Documents" consist of this Agreement, other documents listed in this Agreement, and amendments to this Agreement. The Contract Documents form the entire agreement. Notwithstanding the foregoing the Contract Documents do not include other documents such as any proposal requirements, the Consultant's proposal, Sub-Consultant bids/proposals or agreements or similar documents unless specifically noted on Schedule A. This Agreement consists of the following:

- a. Exhibit A – Reimbursement Policy (if applicable)
- b. Schedule A, including Attachment A – Scope of Services
- c. Schedule B – DBP Invoice Disbursement Form
- d. Schedule C – Application and Certificate for Payment
- e. Schedule D – Consultant Performance Evaluation
- f. Schedule E – Delinquent Personal Property Affidavit
- g. Schedule F – Contract Signature Affidavit
- h. Schedule G – Insurance Requirements

Section 5. Additional Consultant Responsibilities:

The Consultant acknowledges and agrees that the CRAA entered into this Agreement with Consultant based in large part on the qualifications and experience of the Key Personnel identified on Schedule A, as well as Consultants commitment that the Key Personnel undertake and perform the Scope of Services. The Consultant represents, warrants and covenants that such Key Personnel will perform the portions of the Scope of Services identified for their performance in the Agreement. Upon Authority's request, the Consultant shall provide documentation of the time spent by each Key Personnel performing the Scope of Services to the Authority's satisfaction.

If the Consultant proposes to remove or replace Key Personnel and/or Sub-Consultants, whether at the request of the CRAA or due to suspension or termination of a Key Personnel's employment with Consultant or a Sub-Consultant, the Consultant shall promptly propose to the CRAA a replacement for such Key Personnel for Authority's consideration. Any requested substitute Key Personnel shall in all events have sufficient

qualifications and experience for satisfactory performance of portion of the Scope of Services that was to be performed by the replaced Key Personnel. The CRAA reserves the right to reject a proposed replacement of Key Personnel if the CRAA determines the proposed substitute lacks the necessary experience, qualifications or availability to complete the Key Personnel's portion of the Scope of Services, in which case the Consultant shall propose a new substitute. The CRAA shall provide written consent once a substitute Key Personnel is determined by the CRAA to be satisfactory.

Consultant is solely responsible for the acts and omissions of its agents, employees, Sub-Consultants and any other persons and organizations performing or furnishing any of the work performed pursuant to this Agreement. By written agreement the Consultant shall require that each Sub-Consultant, to the extent of the services to be performed by the Sub-Consultant, to be bound to the Consultant by the terms of this Agreement, and to assume toward the Consultant all of the obligations and responsibilities which the Consultant, by this Agreement, assumes toward the Authority. Nothing in this Agreement shall create a contractual relationship between any such Sub-Consultants and the Authority, nor shall it create any obligation on the part of the CRAA to pay or to see the payment of any moneys due to any such Sub-Consultants except as may otherwise be required by law or requested directly by the Authority.

Section 6. Costs for Re-bidding:

NOT APPLICABLE

Section 7. Equipment and Supplies:

With the exception of those items set forth in Schedule A, Consultant shall supply the necessary equipment, tools, supplies and other items ("equipment and supplies") necessary to perform the services. If CRAA provides equipment and supplies, Consultant shall be responsible for the maintenance and security of such equipment and supplies and shall be responsible for any loss or damage caused by the negligence or misuse by Consultant or Consultant's employees. Consultant shall return all equipment and supplies supplied by CRAA within twenty-four (24) hours after completion of its use. Consultant shall at all times store and maintain supplies in good operating condition, normal wear and tear excepted. The CRAA shall have the right to inspect the supplies at any time without notice. Consultant shall return all unused supplies furnished by the CRAA at the termination of the Agreement.

Section 8. Reimbursement for Expenses:

If applicable to this agreement as designated in Schedule A; To the extent that Consultant incurs

reimbursable expenses, payment shall be made in accordance with and subject to the limitations stated in Authority's Reimbursement Policy, attached hereto as Exhibit A.

Section 9. Invoicing:

CRAA shall pay all amounts due and payable within 30 days after Authority's receipt and approval of invoices in accordance with Schedules A, B and C. In addition to submitting completed Schedules A, B and C with each invoice, Consultant shall provide a progress report. The progress report shall, at a minimum, state what work was performed for the period of time being invoiced, state the expected work to be performed during the next invoice period, provide an updated schedule listing the dates for all deliverables, and identify any risks (financial, schedule, project management or otherwise). Payment of the invoice may be withheld by the CRAA until the progress report is received. Consultants shall not submit more than one invoice on a single project per deliverable or per month (as appropriate) without the prior written approval of the Authority. Consultant agrees that CRAA may examine Consultant's records to the extent necessary to verify invoices.

Unless directed otherwise in the contract documents all invoices shall be submitted to accountspayable@columbusairports.com or Columbus Regional Airport Authority, Accounts Payable Department, 4600 International Gateway, Columbus, OH 43219.

Section 10. Suspension:

Upon written notice to the Consultant, the CRAA may, without cause and without prejudice to any other right or remedy it may have, order the Consultant to suspend, delay or interrupt its performance of any or all tasks, in whole or in part, for such period of time as the CRAA may determine. In such case, the Consultant may be allowed an extension to the schedule(s) directly attributable to any suspension for the convenience of the Authority. Immediately upon notice Consultant shall cease all performance of any work under this Agreement. Consultant shall be entitled to no additional compensation during such suspension but shall be compensated for authorized service performed prior and up to the time of suspension.

Section 11. Termination for Convenience by Authority:

Upon written notice to the Consultant, the CRAA may, without cause and without prejudice to any other right or remedy it may have, elect to terminate all or part of the Agreement. In such case, the CRAA will pay the Consultant for all services that the Consultant satisfactorily performed prior to the date of termination, based upon the percentage of work then completed and supporting documentation satisfactory to the CRAA

demonstrating expenses actually incurred and services actually performed. Notwithstanding the foregoing, if the CRAA terminates this Agreement as a termination for convenience, but there exists an event of the Consultant's default, the Consultant will be entitled to receive only such sums as it would be entitled to receive following the occurrence of an event of default as provided in Section 12.

Section 12: Termination by the CRAA for Cause:

The CRAA may, after giving the Consultant 10 days' written notice, except in the event of an emergency as determined by the CRAA in which case the CRAA need not give any advance notice, terminate this Agreement for default upon the occurrence of any of the following events as determined by the Authority:

- a. If the Consultant fails to perform the services in accordance with the Agreement including, but not limited to, failure to supply sufficient qualified staff or failure to prosecute the services promptly and diligently;
- b. If the Consultant makes a general assignment for the benefit of creditors;
- c. If the Consultant violates in any material way any provisions of the Contract Documents;
- d. If the Consultant admits in writing an inability to pay its debts generally as they become due;
- e. If a trustee, receiver, custodian, or agent of the Consultant is appointed under applicable law or under contract whose appointment of authority to take charge of property of the Consultant is for the purpose of enforcing a lien against such property or for the purpose of general administration of such property for the benefit of the Consultant's creditors;
- f. If the Consultant commences a voluntary action under any chapter of the United States Bankruptcy Code as now or hereafter in effect or if Consultant takes any equivalent or similar action by filing a petition or otherwise under any other federal or state law in effect at such time relating to bankruptcy or insolvency;
- g. If a petition is filed against the Consultant under any chapter of the United States Bankruptcy Code as now or hereafter in effect at the time of filing or a petition is filed seeking any such equivalent or similar relief against the Consultant under any other federal or state law in effect at such time relating to bankruptcy or insolvency.

In the event of a termination, the CRAA shall have no further liability to Consultant. All notices under this Section 12 shall be given in accordance with Section 21 hereof.

In the event of such termination for cause pursuant to this Section 12 or for convenience pursuant to Section 11, Consultant shall promptly surrender to

the CRAA all completed work and work in progress, and all materials, records and notes procured or produced pursuant to this Agreement.

Section 13. Termination by Consultant for Cause:

If, through no act or fault of the Consultant, (1) all of Consultant's services are suspended for a period of more than ninety (90) consecutive days by the Authority, or (2) the CRAA fails to act on any request for payment within forty-five (45) days after it is submitted; or (3) the CRAA fails to pay the Consultant any sum within sixty (60) days of the date the sum is finally determined to be due, the Consultant may, upon ten (10) days' written notice to the Authority, terminate this Agreement and recover from the CRAA payment for all services performed by the Consultant to the date of termination. The provisions of this paragraph do not relieve the Consultant of its obligations to perform the services in accordance with the Agreement and without delay during disputes with the Authority.

Section 14. Confidentiality:

Except with Authority's prior written approval, during and after the term of this Agreement, Consultant and Consultant's employees shall not disclose in any manner to any person other than CRAA and its designated representatives, or as required by law, any information obtained during the term of this Agreement concerning matters herein or the business of Authority. This provision shall survive for fifteen years from the termination of this Agreement. Notwithstanding the foregoing, confidential Information shall not include any information that is in the public domain or becomes publicly known through no fault of Consultant, or is otherwise properly received from a third party without an obligation of confidentiality.

Section 15. Security and Safety:

Consultant and all Consultant's employees shall comply with CRAA rules and regulations governing the security, maintenance and safety of CRAA facilities. Failure of Consultant's employees to abide by the rules and regulations of the CRAA may result in immediate termination of this Agreement.

Section 16. Ownership of Work Product:

Consultant expressly acknowledges that all rights, title and interest to all work or work product including, but not limited to, all designs, concepts, know how, techniques, inventions, discoveries, improvements, trademarks, designs, artwork, and copyrightable subject matter developed or produced under this Agreement are the sole property of CRAA and are subject to the restrictions provided in Section 14 hereof. Any authorized representative of the CRAA shall at all reasonable times have the right to inspect and examine such documents or copies thereof when the same are in the possession

of or at the office of the Consultant for working use. Immediately upon completion of the work, all such original documents shall be delivered to the Authority. The Consultant may retain copies, including reproducible copies of documents, including in electronic form, prepared by Consultants and its Sub-Consultants pursuant to providing the services under this Agreement. Any unauthorized use of the work or work product will be at the sole risk of the entity making the unauthorized use.

Section 17 Taxes:

Consultant agrees to pay and be responsible for all Federal, state and local income and payroll taxes and will file all required returns related to such taxes, contributions and payroll deductions.

Section 18. Time of Performance:

The times of performance for the services under this Agreement shall be specified in Schedule A. Consultant recognizes that the time of performance is a critical term and that "time is of the essence" under this Agreement. Failure to timely meet the required performance schedule may result in immediate termination of this Agreement by Authority.

Section 19. Force Majeure:

If by reason of acts of God, winds, fires, epidemics, landslides, floods, droughts, famines, governmental authority, insurrection, military action, sabotage, civil disturbances, acts of terrorism, explosions or failure of utilities, either party is unable to carry out its obligations herein contained, neither party shall be in default during the continuance of such inability, notwithstanding the provisions of Section 18. Each party shall, however, remedy with all reasonable dispatch the cause or causes preventing it from carrying out its obligations hereunder.

The party claiming to be affected by an event of Force Majeure shall notify the other party in writing of the occurrence of such event as soon as possible, and shall, within fifteen (15) days after the occurrence of such event, provide the other party with appropriate evidence in support of the occurrence of the event of Force Majeure and the period of its occurrence. If an event of Force Majeure occurs, both Parties shall immediately consult with each other regarding the performance of this Agreement, and shall immediately resume their respective obligations under this Agreement upon the termination or elimination of the event of Force Majeure.

Section 20. Equal Opportunity/Civil Rights:

Requirements of 49 CFR Part 26

It is the policy of the United States Department of Transportation ("DOT") that disadvantaged business enterprises as defined in 49 CFR Part 26

("DBE's") shall have the maximum opportunity to participate in the performance of contracts financed in whole or in part with Federal funds under this Agreement. Consequently the DBE requirements of 49 CFR Part 26 apply to this Agreement.

Consultant agrees to ensure that DBP's have the maximum opportunity to participate in the performance of contracts and subcontracts financed in whole or in part with Federal funds provided under this Agreement. In this regard, Consultant shall take all necessary and reasonable steps in accordance with 49 CFR Part 26 to ensure that DBE's have the maximum opportunity to compete for and perform contracts.

The Consultant, sub-recipient or Sub-Consultant shall not discriminate on the basis of race, color, national origin, or sex in the performance of this Agreement. The Consultant shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts. Failure by the Consultant to carry out these requirements is a material breach of this Agreement, which may result in the termination of this Agreement or such other remedy as the CRAA deems appropriate.

Consultant further agrees that each subcontract it signs with a Sub-Consultant will include the following language as required by 49 CFR Part 26.13:

"The Consultant, sub-recipient or Sub-Consultant shall not discriminate on the basis of race, color, national origin, or sex in the performance of this Agreement. The

Sub-Consultant shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts. Failure by the Sub-Consultant to carry out these requirements is a material breach of this Agreement, which may result in the termination of this Agreement or such other remedy as the Columbus Regional Airport Authority deems appropriate, which may include, but is not limited to: (1) Withholding monthly progress payments; (2) Assessing sanctions; (3) Liquidated damages; and/or (4) Disqualifying the contractor from future bidding as non-responsible."

Compliance with Nondiscrimination Requirements

During the performance of this contract, the contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "contractor") agrees as follows:

1. **Compliance with Regulations:** The contractor (hereinafter includes consultants) will comply with the **Title VI List of Pertinent Nondiscrimination Statutes and Authorities**, as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.

2. **Non-discrimination:** The contractor, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The contractor will not participate directly or indirectly in the discrimination prohibited by the Acts and the Regulations, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR part 21.

3. **Solicitations for Subcontracts, Including Procurements of Materials and Equipment:** In all solicitations, either by competitive bidding, or negotiation made by the contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the contractor of the contractor's obligations under this contract and the Acts and the Regulations relative to Non-discrimination on the grounds of race, color, or national origin.

4. **Information and Reports:** The contractor will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the sponsor or the Federal Aviation Administration to be pertinent to ascertain compliance with such Acts, Regulations, and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the contractor will so certify to the sponsor or the Federal Aviation Administration, as appropriate, and will set forth what efforts it has made to obtain the information.

5. **Sanctions for Noncompliance:** In the event of a contractor's noncompliance with the Non-discrimination provisions of this contract, the sponsor will impose such contract sanctions as it or the Federal Aviation Administration may determine to be appropriate, including, but not limited to:

- a. Withholding payments to the contractor under the contract until the contractor complies; and/or
- b. Cancelling, terminating, or suspending a contract, in whole or in part.

6. **Incorporation of Provisions:** The contractor will include the provisions of paragraphs one through six in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. The contractor will take action with respect to any subcontract or procurement as the sponsor or the Federal Aviation Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the contractor becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the contractor may request the sponsor to enter into any litigation to protect the interests of the sponsor. In addition, the contractor may request the United States to enter into the litigation to protect the interests of the United States.

Section 21. Notices:

All notices under this Agreement shall be given in writing and delivered by hand or by mail, postage prepaid, effective upon receipt at the address designated in Schedule A for Consultant and if for CRAA to:

President & CEO
 Columbus Regional Airport Authority
 John Glenn Columbus International Airport
 4600 International Gateway
 Columbus, Ohio 43219

with copy to Legal Services

Any party to this Agreement may, by notice given in accordance with this Section 21, designate a new address or notices, requests, and demands to such party. Other communications shall be between the Project Managers as specified on Schedule A.

Section 22. Changes in Scope of Services:

The CRAA may, from time to time, by written order of its Project Manager, make changes within the general scope of this Agreement, in the work and services to be performed by Consultant or in the timing or location of such work and services.

If any change causes an increase in the scope of work, additional cost to Consultant, or time required for the performance of any part of the services under this Agreement, an equitable adjustment shall be made to the time of performance of and the fee payable under this Agreement as may be negotiated with the Authority. Such change shall be made only upon an executed amendment to this Agreement. Prior to commencing work on any services which the

Consultant considers may constitute additional work the Consultant shall notify the CRAA in writing and shall submit written cost estimates for the tasks to be completed to the Authority. No increase in fee or extension of time for performance shall be effective until the price to be paid for the additional services pursuant to the amendment to this Agreement is executed by the parties. Failure to notify the CRAA of additional work prior to commencing that work may result in non-payment for that additional work.

If any change results in a decrease in the Scope of Work, the CRAA shall pay Consultant for any services performed and costs incurred prior to receipt of such change order. Consultant shall not be entitled to any lost profits as a result of such decrease.

Section 23. Indemnification:

To the fullest extent permitted by law, Consultant shall indemnify, defend, and hold harmless the Authority, and its directors, officers, employees, agents, contractors, subcontractors, lessees, and sublessees from and against all liabilities, claims, costs, suits, demands, actions, damages, judgments, fines, losses, and expenses including, but not limited to, fees of attorneys or other professional consultants of the Authority's own choosing, arising out of or resulting from the performance of the Agreement by the Consultant, provided that such liabilities, claims, costs, suits, demands, actions, damages, judgments, fines, losses, and expenses are attributable to bodily injury, sickness, disease, or death, or to injury to or destruction of tangible property, but only to the extent caused by the negligent acts or omissions of the Consultant, anyone directly or indirectly employed by it or anyone for whose acts it may be liable, regardless of whether or not such liabilities, claims, costs, suits, demands, actions, damages, judgments, fines, losses, and expenses are caused in whole or in part by a party indemnified hereunder. Such obligation shall not be construed to negate, abridge, or reduce other rights or obligations of indemnity which would otherwise exist as to a party or person described in this Section 23. The Consultant shall promptly reimburse the Authority, and its successors and assigns, for any cost, expense, or fees of attorneys or other professional consultants of the Authority's own choosing incurred on account of any such liabilities, claims, costs, suits, demands, actions, damages, judgments, fines, losses, and expenses, or incurred in enforcing the terms of the Agreement. The Consultant shall cause this indemnification provision to be included in every Subcontract that it enters into in furtherance of the Work.

The indemnification obligations under this Section 23 are not limited by a limitation on amount or type of damages, compensation, or benefits payable by or for the Consultant under workers' compensation

acts, disability benefit acts, other employee benefit acts, or under any insurance coverage required or provided in connection with the Project. The indemnification obligations contained herein shall apply only to the extent caused by the negligent acts or omissions of the Consultant, anyone directly or indirectly employed by it or anyone for whose acts it may be liable, regardless of whether or not such loss, claim, cause of action, damage or liability is caused in whole or in part by a party indemnified hereunder.

Section 24. Conflict of Interest:

No elected official or employee of CRAA shall participate in any decision relating to this Agreement, which affects his or her personal or financial interest. Neither Consultant, its agents nor any other person on behalf of Consultant has paid or agreed to pay directly or indirectly, any person, firm or corporation any money, reward, or valuable consideration for assistance in procuring this Agreement. Except with the Authority's actual knowledge and prior written consent, the Consultant must not engage in any activity, or accept any employment, interest, or contribution that would reasonably appear to compromise the Consultant's professional judgment with respect to the Scope of Services.

Section 25. Insurance:

During the term of this Agreement Consultant, and its Subcontractors, shall keep its operations, facilities and equipment installed by it, or for which it is otherwise legally responsible, fully insured to cover any and all damages or loss which may result from any and all risks or hazards. Failure to obtain such insurance shall not operate to waive Consultant's liability hereunder.

Refer to Schedule G. for minimum insurance requirements.

By requiring insurance, the CRAA does not represent that coverage and limits will necessarily be adequate to protect Consultant and such coverage and limits shall not be deemed as a limitation on Consultant's liability under the indemnities granted to the CRAA in this Agreement.

Failure of the CRAA to demand such certificate or of the CRAA to identify a deficiency from evidence that is provided shall not be construed as a waiver of Consultant's obligation to maintain such insurance.

The Consultant must pay all deductibles, or self-insured retentions, or both, contained in the Consultant's policies of insurance required or provided in connection with the Project. All proof of insurance submitted to the CRAA shall clearly set forth all exclusions and deductible clauses. The Consultant shall be responsible for the deductible limit of the policy and all exclusions consistent with

the risks he assumes under this Agreement and as imposed by law. The CRAA reserves the right to review any of the Consultant's financials to verify that the Consultant is able to pay any deductibles.

The Consultant must place the insurance with companies that: (1) are satisfactory to the Authority; (2) hold an A.M. Best Rating of A-, VII, or higher; and, (3) are authorized to conduct business in the State of Ohio. If the insurance company's rating is reduced below an A.M. Best rating of A-, the Consultant shall immediately notify the CRAA and, if required, obtain coverage from an alternate source with an acceptable rating.

The Commercial General Liability (CGL) insurance must be written on ISO occurrence form CG 00 01 04 13 or a substitute form providing at least equivalent coverage for liability arising from premises, operations, independent contractors, products/completed operations, personal and advertising injury, and liability assumed under an insured contract (including the tort liability of another assumed in a business contract.)

The Professional Liability (E&O) insurance, including limited contractual liability coverage, covering liability arising out of any negligent act, error, mistake or omission in the performance of Consultant's services under this Agreement. This coverage shall be maintained for a minimum of three (3) years following completion of this Agreement. This coverage may be written on a "claims made" basis.

If E&O coverage is written on a "claims made" basis, the Certificate of Insurance shall clearly state that fact. In addition to all other coverage requirements, the policy shall provide that: (1) the policy must be in effect as of the date of this Agreement and the retroactive date shall be no later than the date of this Agreement; (2) if any policy is not renewed or the retroactive date of such policy is to be changed, the Consultant shall obtain or cause to be obtained the broadest extended reporting period coverage available in the commercial insurance market. The extended reporting provision shall be of at least three years; (3) no prior acts exclusion to which coverage is subject that predated the date of this Agreement; (4) policy allows for reporting of circumstances or incidents that might give rise to future claims.

Columbus Regional Airport Authority shall be included as an additional insured with respect to liability coverage, except for professional liability (errors and omissions) and workers' compensation, under the CGL, using ISO additional insured endorsements CG 20 10 and CG 20, or their equivalent. The endorsement shall include coverage for the CRAA with respect to liability arising out of the completed operations of Consultant and its Subcontractors, and shall provide that it is not

cancelable against CRAA because of any act or neglect of Consultant, and shall further provide that the CRAA shall be given at least thirty (30) days advance written notice by the policy's Insurance Carrier of a contemplated material change in such policy, cancellation, or non-renewal thereof. Additional insured coverage as required in this subparagraph shall apply as primary and non-contributory insurance with respect to any other insurance or self-insurance programs which cover the Authority.

Each such insurance policy shall include a waiver of the Insurance Consultant's right of subrogation against the CRAA which may arise by reason of any payment under the policy. This statement shall also appear on the insurance certificate.

Consultant shall solely bear the burden of acquiring such insurance and of maintaining such insurance in full effect during the term of this Agreement. Prior to the execution of this Agreement, Consultant shall furnish to the CRAA written evidence from the insurer that the required insurance is in effect and that it complies with the requirements of this clause. Consultant shall not allow or permit any agent, independent Consultant or subcontractor to commence work on CRAA premises until the evidence of insurance required has been received by Authority. Whenever the Consultant submits a certificate concerning the required coverage, the Consultant must also submit copies of the below-required endorsements to its insurance policies. Additionally, the following statement must appear on the face of the certificates:

"Thirty days advance written notice of cancellation or material change in coverage must be provided to the Columbus Regional Airport Authority, John Glenn Columbus International Airport, Rickenbacker International Airport, and Bolton Field. Columbus Regional Airport Authority, John Glenn Columbus International Airport, Rickenbacker International Airport, and Bolton Field, its officials, employees, agents and representatives are additional insured's on the General Liability and Commercial Automobile policies."

The certificate must be an original, must be signed by an authorized representative of the insurance companies and list all insurance companies providing coverage. All insurance certificate(s) shall be updated as required to show continued compliance by the Consultant of the provisions. The mediation shall proceed as expeditiously as possible and be concluded in any event within one hundred twenty days after the delivery of the request for mediation. If the mediation is not concluded within such period, then the parties shall no longer be bound thereby unless they agree to extend the period. All applicable statutes of limitation and/or repose shall be deemed tolled and suspended from the date on which the claim is initiated for good-faith negotiation through thirty days after the conclusion of the mediation as provided in Paragraph 26(a). The provisions of this Paragraph 26(b) shall survive termination of the Contract.

EXHIBIT A: REIMBURSEMENT POLICY

COLUMBUS REGIONAL AIRPORT AUTHORITY

This policy establishes baseline requirements for reimbursement for project costs other than direct labor. This Policy applies to professional consultants, hereinafter referred to as "Consultant," to the Columbus Regional Airport Authority, hereinafter referred to as "Authority." These requirements shall only be modified by special conditions noted in the contract or agreement, or by a written amendment to the contract or agreement with the approval of both parties. This policy shall not be changed or amended by Task Order issued against a Master Agreement.

In general, all reimbursement requests shall come from the consulting firm and not directly from the Consultant's employees. All requests require complete and proper documentation and shall be necessary for the completion of the project. For other direct costs, Consultant shall be reimbursed only for actual costs incurred up to the current US General Services Agency (GSA) rate maximum Lodging and Meal & Incidental Expenses (M&IE) per day allowance; no markup of any type or amount shall be approved or paid by the Authority. As the Authority reserves the right to review and/or disallow any expenses, it is in the Consultant's best interest to obtain written Authority approval before incurring any cost, which may be questionable.

At the project's onset, the Consultant shall be required to stipulate those employees who will be assigned to an Authority project and the length of each employee's assignment to the project. All approved expenses will be paid by the Authority in accordance with the established agreement/contract and not directly to the Consultant's employees.

Without exception, expenses, which include reimbursement for the costs of meals or any other gratuity for employees of the Authority, shall be disallowed.

Where the employee is considered a "daily commuter" by the Authority, the Consultant shall not be reimbursed for any expenses.

If the Consultant's employee travel is more than twelve (12) hours, the Authority shall reimburse actual costs not to exceed seventy-five percent (75%) of the current US General Services Agency (GSA) rate maximum Meal & Incidental Expenses (M&IE) per day allowance. If travel is less than twelve (12) hours, the Authority will not pay any Meal & Incidental Expenses (M&IE).

Day Traveler: A Consultant's employee who travels more than one hundred (100) miles roundtrip from the Consultant's operating office or residence (whichever is less) to the project site, and is not required to stay overnight. Where the employee is considered a "day traveler" by the Authority, the Consultant shall be reimbursed for mileage at the [GSA Privately Owned Vehicle \(POV\) Mileage Reimbursement Rates](#), not to exceed \$150 per day.

In the event that the Consultant's employee does not choose to drive to the Authority air transportation shall include Consultant employee's trip to the Authority project location to begin Work on the project and trip back to Consultant's operating office or personal residence at the completion of the Work.

The Authority shall retain the option to determine when the Authority's needs are best served and most cost effective by requiring the Consultant to utilize Air Transportation.
