

# **Notice of an Environmental Assessment for the Development of Air Cargo Terminal 5 and Associated Airside and Landside Development at the Rickenbacker International Airport (LCK)**

The Columbus Regional Airport Authority will conduct a Public Hearing and Workshop with respect to an Environmental Assessment being prepared for the proposed development of Air Cargo Terminal 5 and associated airside and landside development at the Rickenbacker International Airport.

The Hearing/Workshop will be held:

5:00 p.m. – 7:30 p.m.  
April 14, 2015  
Rickenbacker International Airport  
Charter Terminal  
2241 John Circle Drive  
Columbus, OH 43217.

Comments received at the Public Hearing will become part of the final document to be submitted to the Federal Aviation Administration (FAA) for review. Airport staff and consultants will be available to answer questions and provide information regarding the study.

The Columbus Regional Airport Authority has published a Draft Environmental Assessment document and copies will be available beginning March 9, 2015 at the following locations:
