## **Port Columbus First U.S. Airport To Offer Travelers Tim Hortons**

COLUMBUS – [Port Columbus International Airport](#) recently became the first U.S. airport to offer travelers delightful selections from [Tim Hortons Cafe and Bake Shop](#).

Located in the airport's food court near the entrance to Concourse B, Tim Hortons features a full menu of coffee, espresso and cold beverages, baked goods, soup and sandwiches all for the same retail prices at any of the more than 70 Central Ohio locations.

“Since our U.S. headquarters is right here in the Columbus area, we have many business partners, guests and travelers who frequent our airport,” said Mike Meilleur, Senior Vice President for Tim Hortons. “We’re thrilled to bring Columbus’ hometown coffee at our hometown prices to all of the airport employees, the airline crews and guests traveling in and out of Columbus.”

This new dining option is operated by HMS Host and is joined by the new [Cold Stone Creamery](#) in the same area.

“Port Columbus is excited to be the first airport in the United States to offer the Tim Hortons brand to travelers,” said David Whitaker, Vice President of Business Development & Communications. “Tim Hortons and Cold Stone Creamery are wonderful compliments to our existing [dining options](#) including Max & Erma’s Restaurant, Buckeye Hall of Fame Café, Columbus Brewing Company, MoJoe Lounge and more.”

Tim Hortons serves more than 2 billion cups of its premium blend coffee per year and has more than 3,000 restaurants in Canada and over 560 in the United States. Known for its ice cream creations, Cold Stone operates more than 1,500 locations in 16 countries.

### **About Port Columbus International Airport**

Port Columbus International Airport currently provides 154 daily departures to 34 airports. The nine air carriers at Port Columbus include Air Canada Jazz, AirTran, American, Continental, Delta, Frontier, Southwest, United and US Airways.
