

# SOUTHWEST ADDS CANCUN

*Seasonal weekly service effective April 14*

## ***SOUTHWEST EXPANDS SERVICE FROM CMH***

This week Southwest Airlines announced new nonstop service to **Cancun, Mexico**. The airline's first international route from Columbus will operate seasonally from John Glenn Columbus International Airport (CMH) on Saturdays beginning April 14.

In 2017 Southwest celebrated 25 years of service at CMH and has grown to be the region's largest airline, carrying over 2.6 million passengers last year. Today the airline offers nonstop flights to 18 destinations: **Atlanta, Baltimore, Boston, Cancun, Chicago, Dallas, Denver, Fort Lauderdale, Fort Myers, Las Vegas, Nashville, New Orleans, Oakland, Orlando, Phoenix, St. Louis, Tampa, and Washington D.C.**

To book your flights and learn more about Southwest, visit [Southwest.com](http://Southwest.com).
