

**Add/Remove Vehicles**

Vehicle Number is any identifying number assigned to the vehicle by your company and displayed on the exterior of the vehicle. If this does not apply, please leave this column blank. Please complete the vehicle's license plate number, state of registration, model year, make, model, VIN, and passenger capacity including the driver. Please include the issued decal number for any vehicle being removed with a capacity of less than 25.

<b>Company Name</b>
