

John Glenn Columbus International Airport 2022 Commercial Ground Transportation Permit Application

Thank you for your interest in becoming a ground transportation provider at John Glenn Columbus International Airport (CMH), operated by the Columbus Regional Airport Authority (the "Authority" or "CRAA"). Per Authority regulations, any organization operating a vehicle engaged in transporting individuals or property to or from the airport for a commercial entity, regardless of whether the charge for such service is paid directly or indirectly by the customer being served, must have a permit issued by the Authority.

There is no annual or application fee for a Commercial Ground Transportation Permit. Pick-up and Drop-off fees are assessed to commercial operators in accordance with the current Schedule of Fees, Rates and Charges as approved by the CRAA Board of Directors. A copy of the current Schedule of Fees, Rates and Charges is available online at: <https://columbusairports.com/about-us/investor-relations> There is a \$20 fee for each AVI sticker issued to all new vehicles in any fleet, except charters.

Please complete sections A - H of this application as required. The Authority reserves the right to request any additional information as deemed necessary to ensure the safety of our customers and facilities as it pertains to the commercial provider. Applications may be submitted in person at the Parking & Ground Transportation office located at 1441 Stelzer Road, Columbus; by mail to the address below; or, by email to vmiller@columbusairports.com. Copies of applicable documents must be legible. A fillable PDF version of this application is available online at:

<https://columbusairports.com/doing-business-with-us/ground-transportation-services>

Applications submitted by mail should be sent to the following address:

John Glenn Columbus International Airport
Attn: Parking & Ground Transportation, GT Permit

E ADA Questionnaire (Additional Info)

The Federal Aviation Administration (FAA) requires that all airport services comply with the American Disabilities Act (ADA) to accommodate passengers with disabilities. This includes private entities providing ground transportation services at the airport.

Q1: Examples of entities primarily engaged in the business of transporting passengers include: charter bus companies, door-to-door shuttle services, taxis, limousines and transportation network companies. Examples of entities not primarily engaged in transporting passengers include: rental car company shuttles, hotel shuttles, private parking lot shuttles, amusement park or resort shuttles and contractors operating on the behalf of any of the above.

Q5: Fixed route service includes any transportation operating either continuously or on a fixed schedule where the passenger does not need to make any type of advanced reservation.

Q6: Accessibility standards for vehicles can be found at 49 CFR Part 38. They include specifications and requirements for lifts/ramps, seating, securement devices, lighting, signage, PA systems, etc.

Q7: "Equivalent Service" prohibits discrimination against persons with disabilities with respect to the following criteria:

- Schedule/Response Time
- Fares
- Geographic Area of Service
- Hours and Days of Service
- Availability of Information
- Reservations Capability
- Capacity
- Priority or Trip Purpose Restrictions

Additional information can be found at 49 CFR 37.105

Q9: Your ADA policy must address the following:

- ADA specific training provided to your drivers/representatives for assisting people with disabilities, (including sight, hearing and mobility), as well as operation of any ADA accessible devices if installed in vehicles.
- Procedures for meeting obligations to provide accessibility or equivalent service to:
 - Persons in wheelchairs and mobility devices who are able to transfer from the wheelchair or mobility device, including the separate boarding of the wheelchair or device;
 - Persons in wheelchairs and mobility devices who are NOT able to transfer from the wheelchair or mobility device;
 - Persons with comfort or service animals;
 - Persons with visual and/or hearing disabilities
- Process for addressing ADA related complaints.

G Credit Card Authorization

To ensure prompt billing and accurate access charges, the below form will authorize the Columbus Regional Airport Authority Parking and Ground Transportation Department to charge the primary credit card nightly for all access charges to and from the Ground Transportation area for the previous day. Please be advised, the number of trips will correspond to the number of charges (4 trips = 4 charges). Two (2) credit cards are required; however, the secondary credit card will only be used if the primary card is unable to accept the charges for any reason. In the event both credit cards are unable to be charged, the commercial operator may be subject to deactivation of all AVI devices until payment is received. All AVI devices issued to the commercial operator will be included in this system regardless of the access fee associated with the device or the frequency of use. Your activity for the previous month will be emailed. Please contact the Parking & Ground Transportation office with any credit card changes as soon as possible. Be advised that your primary and secondary credit cards must be able to accept our daily charges; please ensure both cards have enough credit availability each day. Frequent denied transactions may result in the suspension or termination of your Ground Transportation permit.

Commercial Ground Transportation Permit FAQ's

Application forms, maps and Rules & Regulations are available online at:
<http://columbusairports.com/doing-business/ground-transportation-services/>

Adding/Removing Vehicles

A form for adding or removing vehicles is available at the website listed above, or from the Parking & Ground Transportation office. Each request to add a vehicle must be accompanied by an updated Acord Certificate of Insurance which includes the new vehicle(s). Vehicles will only be added to a permit after they have been assigned a license plate from the BMV. Vehicles with temporary tags must request a temporary permit.

Temporary Permit Requests

Vendors may submit a request via email, fax, mail or in person at least 48-hours in advance. If utilizing a rental car/truck/van, you must provide a clear copy of the rental agreement, proof of insurance and the date range of temporary usage. Requests exceeding 30 days must be pre-approved by CRAA.

Acord Certificate of Insurance/Worker's Compensation Certificate

All vendors are required to provide updated copies of their Acord Certificate of Insurance and their Worker's Compensation Certificate prior to the expiration date.

Damaged, Lost or Stolen Decals

For damaged decals, mail or drop off the damaged decal and a new one will be issued. **CRAA WILL CHARGE A \$5.00 REPLACEMENT FEE.** If you sell a vehicle, the decal must be removed and returned to the airport.

Billing Updates

Please direct all billing inquiries to Vicki Miller, Manager, Parking & Ground Transportation at 614.239.3088 or vmiller@columbusairports.com.

Commercial Lane Audits/Notices of Violation

Ground Transportation Coordinators will conduct random commercial lane audits. Please remind your drivers they may be asked to produce a valid driver's license and permit certification. **Commercial vendors are required to provide their drivers with maps of the commercial lane and departure area as well as the Authority Rules and Regulations including, but not limited to, Section 502.**

Updating Contact Information

Commercial vendors are required to provide CRAA written notification of internal changes, new ownership or cancellation of their permit within (72) seventy-two hours of such changes. This includes updating contact persons, email addresses, phone/fax numbers and changes of ownership. Please contact the Ground Transportation Manager directly at 614-239-3088 if company ownership changes have occurred.
